Dear Prof. Melnychuk,

May this letter serve to express the Universitat Politècnica de València's support for the Yuriy Fedkovych Chernivtsi National University to establish the International UNESCO Chair "Protection and Preservation of World Heritage and awareness-raising".

We believe this new UNESCO Chair will contribute to encourage young people to participate in the protection and conservation of the natural and cultural heritage. Since this is also one of the aims of the UNESCO Chair Forum University and Heritage of the Universitat Politècnica de València (UPV), we expect it to be possible to carry out activities and projects in collaboration and to reinforce the cooperation between both institutions in the future.

Yours sincerely,

Signature
